啟思中學中三課程座談會

19 October 2017

Through this place, we thrive, we serve and find our place in the world

Staff Introduction

Mr Cheung Siu Ming	<i>Principal</i>
Ms Chan Tan Tan	<i>Head of Lower School</i>
Mr Angus Bell-Scott	<i>Deputy Head of Lower School</i>
Ms Chan Tan Tan	<i>Head of Lower School</i>
Mr Ken Graham	<i>IB MYP Coordinator</i>
Mr Cassy Yu	<i>Head of Technology Faculty</i>
Mr Steve Finnigan	<i>Head of Arts Faculty</i>

CSS Form 3 Curriculum 2018-19

1. Students study English, Chinese, Maths, PE, I&S.
2. Students study 3 separate sciences on a trimester basis (like Arts & Technology in F1&2)
3. Students study **one** Arts course - **Drama, Music** or **Visual Art**
4. Students study **one** Technology course - **Design Technology, Food Technology** or **Information & Communication Technology**.

CSS Form 3 Curriculum (cont.)

1. Form 2 students will complete their MYP next year in Form 3
2. Form 3 students will participate in a **Community Project (CP)** as the culminating focus of their MYP
3. The CP is assessed by a presentation made to parents, students and staff.
4. MYP assessment will remain unchanged.
5. Form 3 Students will **choose 3 elective subjects** to study in Form 4.

Elective Subjects at CSS (2017-8)

Faculty	Form 4	Form 5&6 HKDSE	Form 5&6 IBDP
Arts	Drama, Music, Visual Arts	Music, Visual Arts	Music, Theatre, Visual Arts
Inds & Socs.	Geography, History, Economics	Geography, History, Economics	BM, Geography, History, Economics
Science	Biology, Chemistry, Physics	Biology, Chemistry, Physics	Biology, Chemistry, Physics, Sports Science
Technology	BAFS, Design & Applied Technology, ICT, Technology and Living(Food), Design & Information Technology	BAFS, Design & Applied Technology, ICT, Technology and Living (Food),	Design Technology

CSS Form 4 Curriculum 2019 - 10

1. Students start **3 year HKDSE courses**
2. All students study **5 compulsory courses:**
English, Chinese, Mathematics, Liberal Studies
& Physical Education
3. Students can also choose **any 3 elective subjects.**
4. The school will assign students either to HKDSE or IBDP at the end of Form 4.

Arts & Technology in Form 3

1. Study **one** Arts course - **Drama, Music or Visual Art**, for the whole year.
2. Study **one** Technology course - **Design Technology, Food Technology or Information & Communication Technology**, for the whole year.

Choosing one course allows students to study the subject in depth and develop the necessary foundation for further study in F4
