

## 2017-18 s.y. Fee Remission Scheme Application Notes

### 1. Introduction

As a Direct Subsidy Scheme (DSS) School and in line with the Education Bureau (EDB) requirements, part of the revenue of Creative Secondary School will be set aside to provide assistance, in the form of fee remission to students in financial need.

### 2. Eligibility to apply

2.1 Students who have applied and offered to study at Creative Secondary School.

2.2 Students who are enrolled at Creative Secondary School.

### 3. Fee Remission Level

The amount of fee remission granted to a needy student is expressed in the form of percentage reduction to the school fee. Table 1 below indicates the maximum percentages of fee remission that can be granted to a student and is for reference only. The Fee Remission & Scholarship Committee (FRSC) of the School will vet all applications and consider the amount of fee remission to be granted. When considering the fee remission, the FRSC will take into account the specific circumstances of each family, including the household size, the total annual disposable income and assets of the family.

Maximum Fee Remission %	Annual Family Disposable Income \$ (as defined in Section 4 below)		
	Family up to 3 persons	Family of 4 persons	Family of 5 persons or above
100%	0 - 280,000	0 - 380,000	0 - 480,000
75%	280,001 – 380,000	380,001 - 480,000	480,001 - 580,000
50%	380,001 - 480,000	480,001 - 580,000	580,001 - 680,000
25%	480,001 - 580,000	580,001 - 680,000	680,001 - 780,000
0%	Above 580,000	Above 680,000	Above 780,000

### 4. Timing for application of fee remission, assessment and duration of support

4.1 Fee Remission – normally, application submission, assessment and award take place once every school year before the start, or at the beginning of the 1<sup>st</sup> term, when a new student joins the school, whenever that takes place.

4.2 Under suitable circumstances, FRSC may grant fee remission for more than one year, up to the student's entire duration of enrollment at the school. To justify the length of the fee remission, the FRSC may impose requirements for the remission student's parents to declare the family's latest financial circumstances for checking periodically.

- 4.3** Emergency Financial Assistance - A student's family who experiences financial hardship due to a sudden and unexpected change in circumstances during a school year may at any time during that school year apply to the School for fee remission. Fee remission up to 100% will be granted to the applicant subject to the information submitted in support of the application.

## **5. Method of Assessment**

(a) 100% of the annual income from all sources of the student's parents.  
(Please refer to Appendix I.)

(b) 40% of the annual income from all sources earned by other family members living in the same residence. (Please refer to Appendix I.)

\$22,000 for family of 4 persons or over

- 5.5 Family's assets include properties, cash, deposits at bank and financial institutions, vehicles, stocks and shares owned by the family members local and overseas.

(a) If the family's assets exceed \$600,000 at the time of application, 5% of the excess amount will be included as income. (Please refer to Appendix II for fee remission scheme example.)

(b) The value of assets is defined as the sum of net positive value of each individual asset (gross asset value less related outstanding liabilities).

(c) The family's principal residence (one number only) will be excluded in the calculation.

- 5.6 If more than one child is attending CSS from the same qualifying family, the amount of fee remission for the second child/or additional children will be increased by 25%.
