## Award System and Assessment Policy

### *Award System*

In order to promote excellence and encourage maximum participation in all fields, Creative Secondary School has established an award system in recognition of outstanding performance in language and communication, creativity and arts, sports and action, inquiry and problem solving, service and leadership and in various subject areas. Throughout the year, students will individually strive to collect reward points from teachers in all areas. The school encourages each individual to take responsibility for their own actions and to take pride in the efforts and achievements of everyone in the school community. Success is rewarded by the teachers awarding school chops to students who consistently achieved good work over a period of time, made a major attempt to improve performance in a particular subject, or obtained good results in tests or examinations. Points can also awarded to students who are helpful and consistently contribute to school events through their own initiative.

In each term, students with outstanding academic grades will be awarded the **Academic Awards**.

### *The Creative Cup*

The Creative Cup is awarded to the winning house at the end of each year and it is the culmination of all the house points after competing in all inter-house competitions organised by the school or Student Union. It is a major achievement for the winning house as it is a combination of teamwork, effort and dedication of all students contributing to inter-house events.

## 獎勵及評估制度

### 獎勵制度

為了促進學生在各方面的成就，以及鼓勵學生投入參與不同範疇的活動，啓思中學建立了一個完善的獎勵制度，以肯定在同學在語言及溝通、創意及美術、運動及行動、求知及解難、服務及領導才能等方面的出色表現。在這整年中，學生可在各個領域中從各位老師給予的蓋章獲得獎分。學校鼓勵每個學生都要為自己的行為負責，並為同學付出的努力及成就感到驕傲。在工作表現上盡心盡力、持續有良好表現、在個別的科目上勇於求進或在成績上有卓越表現的同學，會獲得老師的獎分。學生樂於助人，並且能夠通過自己的努力為學校活動盡心盡力，也能獲得獎分。

每個學期，成績優異的學生將會獲得學術獎勵。
