Creative Schools Continuum Pathway

啓思中學、啓思小學和啓思小學附屬幼稚園升學銜接

Three Schools • One Philosophy • One Continuum

Creative Secondary School (CSS), Creative Primary School (CPS), and Creative Primary School's Kindergarten (CPSKG) are part of a continuum of schools that provide education for students aged 3 to 18. The 3 schools have a shared philosophy and vision that blends the best of Chinese and international educational ideals.

One of the core emphases of our schools is bilingual education in English and Chinese, along with the opportunities to learn other modern languages. We strategically focus on intensive Chinese language learning during the kindergarten and junior primary years, as it is a relatively difficult language to learn. English language learning is intensified as students progress through their senior primary and secondary school years. By the time students finish their secondary education, they are fluent and proficient in both languages, ready to pursue their tertiary education either locally or overseas.

As locally rooted schools in Hong Kong, we naturally place great importance on fostering students' national identity, citizenship, cultural heritage and history of China. We also provide students with ample opportunities to broaden their horizons and develop a sense of responsibility towards the world and humanity.

Both CPS and CSS are IB World Schools, offering the International Baccalaureate Primary Years Programme (IB PYP), International Baccalaureate Middle Years Programme (IB MYP), and International Baccalaureate Diploma Programme (IBDP). These programmes emphasize inquiry-based learning, encourage students to learn independently, develop a passion for learning, cultivate a strong sense of awareness of the world and responsibility towards their community and country. In addition, CSS also offers the Hong Kong Diploma of Secondary Education (HKDSE) curriculum, providing students with a diverse range of academic opportunities.

In conclusion, our three schools provide a holistic education that combines academic excellence, building of positive character, bilingual proficiency, cultural understanding and global perspective. Our ultimate objective is to prepare students to succeed in an interconnected, rapidly changing world.

三所學校 • 同一理念 • 同一傳承

啓思中學 (CSS)、啓思小學 (CPS) 和啓思小學附屬幼稚園 (CPSKG) 是香港的三所連繫的學校，為三至十八歲的學生提供融會中外教育精粹，扎根香港面向國際的優質教育服務。

三所學校共享同一的教育理念和願景，學校的課程、教學方法和學生關顧方面，結合了中國和國際教育理念的精粹。英文和中文是三所學校的教學重點，同時提供其他現代語言的學習機會。

在語文教育策略上，學生從幼稚園和小學初級年級先重點培養比較難學習的中國語文，隨著學生由高小進入中學階段，學校同時加強發展學生的英文能力；學生於高中畢業時，均會流利且熟練地掌握高水平的中英文雙語應用能力，準備好升讀本地或海外大學。

三所學校扎根於香港，因此非常重視培育學生對國民身份、公民意識、文化承傳和中國歷史的認同，並為學生提供機會，拓展他們的國際視野，培養他們作為世界公民，對推動世界和人類發展的責任感。

啓思中學和啓思小學均是國際文憑組織 (IB) 的世界學校，分別提供小學項目課程 (IB PYP)、中學項目課程 (IB MYP) 以及國際文憑大學預科課程 (IBDP)。這些課程基非常着重探究式學習方法，鼓勵學生獨立學習，培養對學習的熱忱，同時對世界的認識和社區及國家的責任感。此外，啓思中學還提供香港中學文憑考試 (HKDSE) 課程，為學生提供多元的學術機會。

整體而言，啓思中學、小學及其附屬幼稚園所提供是優質的綜合性教育，結合了卓越的課程和教學、語言培育、文化理解 and 全球視野，並致力於培養學生在相互連接的世界中取得成功。

PRINCIPAL'S WELCOME

校長的話

For those interested in learning more about Creative Secondary School, I am thrilled to introduce you to our wonderfully unique educational experience.

Creative is a school nestled between Lohas Park, Hang Hau and Tseung Kwan O. Our spacious, uplifting, and airy campus not only offers a wide range of functional specialism rooms, but is currently home to approximately 650 young learners and over 100 educators (our more experienced learners) and facilitators from across the world. Each individual brings their unique backgrounds and perspectives, enriching our vibrant community.

While most of our learning uses the lens of the International Baccalaureate and an internationalised approach, as you sift through our website you will be able to find the many linkages we have with the best of Chinese Culture as well as the Hong Kong Diploma of Secondary Education. There are diverse activities and opportunities abound throughout our days. Without a doubt, our name certainly sums up the kind of school that this is for our learners who shine on so many platforms and stages.

As people join the school, they are rapidly brought up to speed and transition expeditiously to travel their paths to transform into their future best selves. This is achieved with the foundation of Invitational Educational and complemented with Positive Education. This results in a community that intentionally invests in developing respect, trust and caring as well as optimistic agency for the future. All this synergises through our belief that each learner is able to work towards their untapped potential, building on capacities and capabilities through processes leading to the development of their skills, self-regulation and positive daily habits.

Driven by our school motto, "Through this place, we thrive, we serve, and we find our place in the world", our school is a place where everyone gets the chance to elevate themselves as well as those around them. It is truly a school for each person to find their individual or collective passions in their learning journeys and our learners go on to study, create and contribute across the globe and find ways to shine wherever they go.

I encourage you to spend more time investigating our educational approach and hope that you can see yourself as part of our Creative Secondary School family in the coming years.

LEARNING AT CSS

在啓思中學校園的學習

CSS students find their learning enjoyable and engaging. Our curriculum is holistic, integrating students' academic advancement with social and personal development. Students have many opportunities to learn, inside and outside the classroom. They learn through action and service, in Hong Kong and overseas.

Our globalised world is rapidly changing and highly competitive. We therefore help our students develop confidence, positive attitudes and personal attributes in order that they are ready to meet challenges in their future life. Our students strive to develop life-long learning habits, understand the concepts underlining what they learn in our curriculum and appreciate how the knowledge and the skills they acquire are interconnected.

The Learner Attributes diagram below sums up what CSS aims to foster in every one of our students:

啓思學生的學習生活愉快而投入。學校課程全面，結合學生的學業，以及人際和個人成長的發展。他們有很多在課內及課外的學習機會，並透過在香港及海外的活動和服務，學習不同的知識。

在全球化的環境下，我們的世界變化急劇，競爭激烈。因此，學校著意幫助學生發展自信、正面積極的態度和個人特質，以裝備他們面對未來世界的挑戰。我們的課程致力培育學生終身學習的態度，認識知識背後的概念，以及明白到所學的知識和技巧是如何互相關連。

Supporting Different Aptitudes & Needs

Our students have different aptitudes and needs, and so our academic structure is well designed with choices and options to support all our students to make progress towards their secondary graduation. To ensure that all our students achieve success in learning, we offer:

- specific enhancement schemes to support English Second Language learners
- a discrete curriculum for students who need to learn Chinese as a second language
- a Learning Support team to help students with learning needs to fulfil their potential
- curriculum flexibility and mentoring from tutors and subject specialists for gifted and talented students, so that they can enjoy a balanced school life while in pursuit of their specific goals

Supporting Students' Development & Well-being

The CSS House System

Every new student is placed in one of our six houses – Bauhinia, Bombax, Cassia, Delonix, Jacaranda, Juniper. Through their houses, students have many opportunities to develop their social and leadership skills as well as engaging in sports, performance and service.

As students progress, their house tutors are responsible for overseeing their personal and social well being as well as academic progress. The work of house tutors in guiding students is supported by the Heads and Deputy Heads of two school sections, led by our Vice Principal.

Form 1, 2 and 3 – Junior School
Form 4, 5 and 6 – Senior School

In addition to house tutors and the Heads of School, students have easy access to two school-based government social workers, and two experienced and well-qualified CSS counsellors.

支援不同的能力和需要

我們的學生有不同的志向和需要，因此，學校的學術架構經過精心設計，有不同的選擇，支援校內每個學生都能在中學階段不斷進步和成長。為確保所有學生學業成功，學校提供：

當學生在啟思上學時，他們的社導師會負責關顧學生的個人、社交以及學業進程。而社導師跟進和輔導學生的工作，是由學校的「學生發展及福祉總監」，帶領兩名「級主任」和副校長的支援下進行的。

中一、中二及中三——初中

THE SCHOOL COMMUNITY

學校社群

Student Life at CSS - a home away from home

Our diverse student body has joined us from a broad range of primary schools including Creative Primary School. Our students reflect the diversity of modern-day Hong Kong with a community comprising Cantonese-speaking families, ethnic minorities, and overseas-returnees as well as expatriate families. CSS students are vibrant individuals who are actively encouraged to maintain positive and close relationships with their teachers and peers. They are curious, critical thinkers who have a confident sense of ownership of their school.

Student life largely revolves around our House tutorial system. Students' personal and social well being, as well as academic progress is overseen by house tutors who get to know students personally from their first day of entering the school to the day of their graduation. The house system provides scope for developing team-work and leadership skills.

We develop citizenship and leadership skills by engaging the student body in an energetic programme of Experiential Learning with opportunities to explore leadership and collaboration on service projects in Hong Kong and beyond. These experiences encourage students to reach their potential.

學生生活 —— 學校是我家

我們的學生來自啟思小學以及其他不同的小學，亦來自不同的社群，包括以廣東話為母語的家庭、少數族裔社群、海外回流人士及外籍人士的家庭等，反映今日多元的香港社會。啟思的學生活力充沛，學校積極鼓勵學生與他們的老師及同學建立正面和友愛的人際關係。他們充滿好奇心和具批判性思維，對學校有強烈的歸屬感。

啟思學生的校園生活以學校的社制為軸心。由第一天入讀至畢業當日，學生所屬的社導師就認識他們，竭力關顧學生的個人、社交及學業進度。我們的學社制度讓學生發展團隊精神和領袖才能。

透過「體驗學習」的多姿多采的活動，學校提供機會讓學生參與在香港及海外的服務計劃，發掘領袖才能和協作能力，發展他們的公民意識和領袖才能。

CSS Staff – diverse and committed

Over half of our teaching team are either from different parts of the world or are overseas-returned teachers. Together with our locally trained staff, our teaching team is culturally and linguistically diverse. This diversity benefits our students in respect of their international outlook as well as their standards of English and Chinese.

At CSS, teachers are appointed not only for their expertise in teaching academic subjects, but also for their care and devotion to the well-being, progress and achievements of their students.

In alignment with our school's philosophy, teachers are expected to be welcoming to students and parents. Their willingness to work collaboratively as a team and support others contribute to the caring and respectful culture within the school. Positive human relationships that have built up among members of the staff team since the school's founding have now become a distinctive strength of the school.

教學團隊 — 多元 · 承擔

學校過半數的教師來自不同的國家，也有海外回流的教師，再加上於本港受專業訓練的教師，使我們的教學團隊在文化和語言上均多元化。這樣多元化的校園環境有利於提升學生的國際視野以及他們的英語及中文水平。

啓思中學的教師不單擁有專業學科知識及教學能力，更關愛學生，對學生的個人福祉、進展和成就有承擔。

我們期望教師們對學生及家長的態度友善及開明，願意在團隊中互相合作及支持，為學校建立關顧及互相尊重的氛圍作出貢獻。自開校以來，我們的教職員團隊成員間的人際關係良好，成為了學校的特色。

CSS PTA and Alumni

Partnership between parents and teachers is a key factor in the positive development of our school. The CSS Parents Teachers Association (PTA) plays a very active role, organising many social and educational events as well as making new families and staff very welcome. Teachers here feel positively supported and trusted by parents and this trust in turn ultimately benefits our students.

The CSS Alumni Association has active members in UK, USA, Australia, as well as in Hong Kong – many of our graduates, who have studied overseas have returned to begin their careers in Hong Kong.

In addition to their social gatherings, Alumni members have generously given their time volunteering to help with major school events, contributed murals and sculptures to enrich the school campus, and providing advice to CSS students on applying to and settling into university locally and abroad.

家長教師會及校友會

緊密的家校合作是發展學校社群的一個重要元素。啓思中學家長教師會非常活躍參與學校事務，經常舉辦社交及學習活動，同時亦協助每年新加入本校的家庭及教職員儘快融入學校的大家庭。教師能感受到家長正面的支持和信任，最終使我們的學生更為受益。

啓思中學校友會的活躍校友遍佈英國、美國、澳洲以及香港。我們不少的畢業生於海外升學後已回流香港發展事業。

除了社交聚會外，校友會成員亦慷慨抽空回饋母校，協助籌辦大型學校活動、創作壁畫及雕塑予母校美化校園，以及為啓思的同學提供申請及就讀本地和海外大學的建議及支援。

FEE REMISSION & SCHOLARSHIP SCHEMES

學費減免計劃及獎學金計劃

Fee Remission Scheme - supporting the financially needy

Students offered a school place should not feel deterred from enrolling because of financial concerns. The school provides school fee remission based on an assessment of the family's disposable income and assets. Fee remission is usually granted for the duration of a student's enrolment at CSS, unless there is a significant improvement in the family's financial circumstances.

The fee remission scheme also covers subsidies for transport, textbooks, school uniform as well as overseas study trips. Further information and application forms are available on the school's website.
